

SCHOOL SUPPLY LIST

2025-2026

At Hallowes Cove Academy, our students will be consistently working toward being organized and successful learners every day. HCA will utilize a school-wide organizational and learning approach at every grade level.

Organizational Tools teach our students the importance of being responsible and staying organized. It looks different at each grade level depending on what is developmentally appropriate. Below gives general information regarding tools what students should expect to use at each grade level:

- K – 2: Bins/Baskets for materials, parent communication folder and binder, monthly calendar, composition notebooks and folders
- 3 – 5: Pencil/material pouch, parent communication folder and binder, daily/weekly agenda, spiral notebooks and corresponding folders
- 6 – 8: Pencil/material pouch, daily/weekly agendas, spiral notebooks, 3-ring binder with tab dividers

Hallowes Cove Academy will utilize a school-wide color-coded organizational system. Specific colors will be associated with specific subjects to help students keep materials and notes organized. This school-wide approach will make it easier for students and parents to find and locate important information.

- Red: English Language Arts (reading and writing)
- Blue: Mathematics
- Green: Science
- Yellow: Social Studies/History

For the 25-26 School Year, HCA will provide planners/agendas for students in Kindergarten – 7th grade and parent-teacher communication folders for students in grades Kindergarten – 5th grade.

Kindergarten

Please do not label items unless noted.
